

South Dakota Pilots Association

Congratulations on earning your pilot's license!

The SDPA is pleased to give a one-year FREE membership to NEW PILOTS who are residents of SD – all you have to do is complete this application and mail it to us at the address below. By NEW pilot we mean that they have passed their check ride within 12 months of submitting an application for a free membership.

The SDPA was formed in 1992 so that we can have a stronger voice in general aviation issues in South Dakota. We put our members' dues where our mouth is: we have provide 50% scholarships to high school students to participate in the annual ACE (Aerospace Career and Education) Camp held at South Dakota State University (Brookings) (2 students per year); we provide an annual \$1000 Becker-Hansen Memorial Scholarship to aviation enthusiasts to complete their pilot training or earn an advanced rating with a SD-based instructor; we sponsor aviation safety seminars; we sponsor a \$500 SDPA Aviation Mechanic Scholarship at the Lake Area Technical Institute (Watertown), we maintain an informative web site, and we are the ONLY state-wide general aviation newsletter!!

*We need your help in providing a strong voice for general aviation in South Dakota!!
Please join the SDPA!*
